

From heart :-

The day I met you,
you took my breath
away, I might n't get
to heaven but that's ok.
because I walked with one
of his angels that day.
So it was a day when I
saw no chance of being
happy but when U came
into my life →

Saying farewell :-

The time we shared will
always be in my heart,
Yes, we're "saying" goodbye"
but we'll always keep in
touch and remember
just because I said
'goodbye', It doesn't
mean I'm gone forever...

My heart is shivering
again.

yours ever.
